

## COVID-19 Procedures

### ***If a child is displaying symptoms before their booking starts?***

*If your child is displaying symptoms or members of the household are, then they are not to attend the club until a negative test has been completed.*

### ***What happens if the club gets cancelled by Clubszone or another lockdown?***

*Customers would receive a full refund if the club were cancelled due to government enforcement or Clubszone staff members having to isolate.*

### ***Activity Groups***

*We have limited the mixing within groups to minimize the isolation for children if there was to be an outbreak at the club.*

### ***How will the staff at the club monitor the situation during the club?***

*When necessary, we will check the temperature of the children on arrival and when we feel signs of covid could be present amongst a child.*

### ***What happens if a child is showing symptoms on site?***

*A staff member would isolate the child and call to get the child collected to be tested.*

### ***If a child has been found to be positive whilst at the club***

*We will be following the government guidelines at the time of testing*
